

“New Age Science and Technology for Sustainable Development” and “3rd Annual Conference of Indian JSPS Alumni Association”

AUGUST 6-7, 2012

CSIR-National Environmental Engineering Research Institute (NEERI)

Nehru Marg, Nagpur, India 440020 and

Indian JSPS Alumni Association, Toyo University

Sponsor: Japan Society for Promotion of Science

ANNIVERSARY OF JAPAN-INDIA DIPLOMATIC RELATIONS

About Indian JSPS Alumni Association:

Indian researchers visited Japan under JSPS are valuable assets in advancing research and cultural tie up between India and Japan. In order to retain contact with Indian JSPS scientists and their host scientists an Indian JSPS Alumni Association has been constituted. The objective of the Indian JSPS Alumni Association is to promote scientific exchange, research and cultural collaboration between India and Japan.

About NEERI:

National Environmental Engineering Research Institute (NEERI), a constituent laboratory of CSIR endeavours to provide Leadership in environmental science and engineering for sustainable development. NEERI dedicates itself in the service of mankind by providing innovative and effective solutions to environmental and natural resource problems

Conference Venue:

Nagpur is at the exact center of India, having pleasant weather in August and bit of Monsoon showers to keep cool. The city is well known as Orange City due to its large orange production and export. Conference will be at Hotel Raddison Blu close to NEERI and City Center.

About The Conference:

“New Age Science and Technology for Sustainable Development” and “3rd Annual Conference of Indian-JSPS Alumni Association” being organised by National Environmental Engineering Research Institute, Nagpur, India in Collaboration with India-JSPS Alumni Association and Toyo University during August 6-7, 2012. The conference coincides 60th year celebration of India Japan diplomatic relations. The focus of the conference is to deliberate on cutting edge science and technology for continued and sustainable development. Conference has sponsorship from Japan Society for Promotion of Science .
